

Application Serial No. 10/549,712  
Attorney Docket No. GOJ.100 US  
Supplemental Response to Response mailed April 22, 2008

### REMARKS

Upon further consideration of the Response filed April 22, 2008 and the cited references, the Applicants respectfully request entry of clarifying amendments.

Claims 1-4 and 16 have been amended to remove superfluous limitations not required for patentability. Dependent claims 5 and 6 have been amended to conform to the amendments to claim 4.

In claim 7, the reference to "said container" in clause f) of the claim has been amended to set forth that the hidden switch is carried by the apparatus. Entry of this amendment is requested to resolve a clarity issue inasmuch as the hidden switch is not carried by the container, but by the apparatus. Dependent claims 10-13 have been amended to depend from claim 7. Dependent claims 17 and 18 have been amended to reflect dependency from new claim 27.

It is submitted that the arguments submitted in the previous response are still applicable with the present revisions.

New dependent claims 27, 28 and 29 have been added.

In view of the foregoing amendments and remarks presented herein, the Applicants believe that they have properly set forth the invention and, accordingly, request that the Examiner reconsider and withdraw the objections and rejections provided in the previous Office Action. A formal Notice of Allowance of claims 1-19 and 21-29 is earnestly solicited. Should the Examiner care to discuss any of the foregoing in greater detail, the undersigned attorney would welcome a telephone call.

In the event that a fee required for the filing of this document is missing or insufficient, the undersigned Attorney hereby authorizes the Commissioner to charge payment of any fees associated with this communication or to credit any overpayment to Deposit Account No. 18-0987. If a withdrawal is required from Deposit Account No. 18-0987, the undersigned Attorney respectfully requests that the Commissioner of Patents and Trademarks cite Attorney Docket Number GOJ.100.US for billing purposes.

Respectfully submitted,
